**H.R. 3891
National Fish and Wildlife Foundation Establishment Act
Amendments of 2007**

As ordered reported by the House Committee on Natural Resources on March 12, 2008

H.R. 3891 would amend the National Fish and Wildlife Foundation Establishment Act to increase the number of members on the foundation's board of directors from 25 to 30. CBO estimates that implementing H.R. 3891 would have no effect on the federal budget. The National Fish and Wildlife Foundation is a nonprofit entity chartered by the federal government.

H.R. 3891 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. This estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.
